

# 7<sup>TH</sup> MEETING OF THE EASTERN MEDITERRANEAN REGION INTERNATIONAL BIOMETRIC SOCIETY (EMR-IBS)

## CONFERENCE ANNOUNCEMENT TEL AVIV, ISRAEL 22-25 APRIL, 2013

### SAVE THE DATE

We are pleased to invite you to the 7<sup>th</sup> meeting of the Eastern Mediterranean Region of the International Biometric Society (EMR-IBS) at the Crowne Plaza Hotel, Tel-Aviv, Israel, from April 22-25, 2013.

The conference will cover many topics of contemporary importance in biostatistics, biometry, and bioinformatics. The program will include pre-conference short courses, scientific sessions, plenary sessions, invited and contributed papers, poster sessions and an array of distinguished, internationally renowned speakers. The social program will include a reception, gala dinner in Jaffa preceded by a short guided walking tour, and a half-day trip to Jerusalem to experience the history, sights, sounds and flavors of the holy city.

The Organizing Committee looks forward to this gathering of professionals from around the world, to a fruitful exchange of information and ideas, and to a very stimulating meeting.

#### Organizing committee:

Havi Murad, Laurence Freedman, Ilana Lobel, Arnona Ziv, Gertner Institute, Sheba Medical Center.  
Orly Manor, Hebrew University of Jerusalem. Diklah Geva, Beer Sheva University.  
David Steinberg, Tel-Aviv University. David Faraggi, University of Haifa .

**The conference website will be announced soon, for online information and registration.**

Israel is a small country steeped in history and culture and represents a meeting point of West and East.

Tel Aviv, "The City That Never Sleeps", includes the old port of Jaffa, and offers restaurants, museums, beaches, shopping, culture, history and more!

Historically famous places, such as Jerusalem, Nazareth, and Tiberias, are within easy reach of the city.
